Mr. G. M. West, Asst. Supt.,

My dear Sir:-

Your prints are beautiful. If some method could be devised by which they could be cheaply worked in to a good work on wild flowers, it would do wonders towards popularizing a taste which is now comparatively limited. We thank you very much for your note on *Trillium grandiflorum*, of which we shall make good use ~~of~~ on some early occasion.

Yours truly,

Thomas Meehan
